

2021 Outdoor Track and Field Season

Welcome to what we hope will be a year in which there will be a return to some meaningful competition for everyone.

The enclosed Prospectus lays out our plans for the season ahead, but we have to bear in mind that there will undoubtedly be some Covid restrictions which will still apply, particularly to the early events. We shall ensure that we shall do our utmost to stage these Championships, and to do so very safely, and will put in place whatever measures are deemed necessary. For instance, it is likely that temperature checks on entrance will be in place for the June event.

It is very important that before entering, every athlete makes sure that they are physically and mentally ready to compete. We all need to bear in mind the lack of competition, even for many the lack of training, which has been experienced in the past year.

We look forward to welcoming people back to our Championships and wish you all a safe and successful experience in the coming months.

Please stay safe.
