<u>Trial Membership</u> (4weeks)	£20
---	------------

Notes:

Membership is normally on an annual basis from 1 April to 31 March. If you join after 1 April your membership will still run only until the annual renewal date of 31 March the following year. The fee payable is the one that applies on 1 April (or at the time of first joining if later) and there are no adjustments for in-year changes in circumstances.

After 1st October, fees will be reduced by 50%. However, at whatever point you join after 1st October your membership will still run only until the annual renewal date of the 31 March.

Please note there are no part year fees for the special arrangement for University of Bedfordshire students.

Foreign Athletes will be liable to the same membership fee as other members. Bedford & County AC will determine whether to register athletes as Foreign Athletes with UKA depending on the requirements of leagues and team selection.
